

Dear Editor,

Attached please find our manuscript entitled “Game-based Approach of Fair Resource Allocation in Wireless Powered Cooperative Cognitive Radio Networks” for consideration in the *International Journal of Electronics and Communications*. Note that this paper is not submitted to any other journal for consideration. All authors have checked the manuscript and have agreed to the submission.

Thank you for your kind consideration and I look forward to hearing from you.

Please contact me directly via the following E-mail address regarding this submission.

With kind regards

Zhixin Liu
